

JOEL WALKER FUND

CONNECT | FOCUS | ACHIEVE

Part of the Fanconi Anemia Research Fund

Celebrating Progress and Looking Ahead

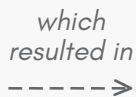

Joel Walker Fund Journey

Scientific Meetings
2018-2020

Cancer Ideas Labs
2021-2022

Research study to
develop cancer
models for treatment

Development of
strategies for
precision treatment
and a tumor board

The Next Frontier

We're taking the impact of the Joel Walker Fund to the next level with two transformative projects:

Empowering FA Advocates

- Elevating voices for change
- Promoting partnerships

Unifying FA Patient Data

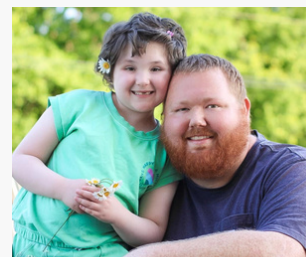

- Collecting & standardizing worldwide data
- Enabling accurate treatments

Your Impact, Their Future

Your support has not only brought us this far but also holds the key to our continued progress.

Thank you, from the Walker family and the entire FA community!
